

Summer Reading

June 14, 2019

Dear Parents,

Summer has arrived! Our HCS students are so disappointed when the end of the year comes and book check-out is no longer part of their weekly library visit. Please make a visit to the public library one of the first things you do with your kids. Offering a variety of high-interest books is one of the best ways to keep your children reading this summer. Your children have grown so much as readers over the school year, making sure they have access to plenty of wonderful books this summer will keep their reading skills strong!

This year we are asking every student to participate in the Governor's Summer Reading Challenge. You can do this by **either** filling out a Summer Reading Game Board that has a variety of fun reading suggestions **or** by keeping a log of books read on the official Governor's Summer Reading Challenge Journal. The Game Board is included with this letter. The Governor's Summer Reading Journal can be printed from the Summer Reading page on the HCS Library website. Please make sure your child returns the completed form of your choice to his or her teacher in August.

Happy Reading!

Mrs. Nelson
