Monday, 5/2/22 – Grade 2 (all classes)

COVID ATTENDANCE GUIDELINES

We appreciate everyone's adherence to the guidelines below. It is essential that students do not come to school if:

They have had close contact (at least 15 minutes, within 6 feet) with a person that has tested positive for COVID-19 and are quarantining for the required number of days

They, or a member of your household, has been tested for COVID-19 because of symptoms and/or potential exposure and you are awaiting results

You screen them in the morning before school and they have any of the symptoms below:

- **fever of 100.4 or higher**
- **chills**
- **a new cough**
- **difficulty breathing**
- **a sudden loss of taste or smell**
- **shortness of breath**
- **sore throat**
- **congestion**
- **extreme fatigue**

If your family has traveled, we recommend testing upon returning. Please be vigilant and check for any symptoms daily for 14 days after travel. Even mild symptoms can be the first sign of COVID. If the traveler, family member or student, develops any symptoms, keep all family members home from school until the traveler has been tested.

In all cases, we ask that you always err on the side of caution. If your child has any signs of illness, please keep them home and contact our school nurse, hcs.nurse@region10ct.org by phone at (860) 485-9029 ext. 12103

A friendly reminder that our school nurse, Kristen Sullivan is out on maternity leave. There will be a substitute nurse covering each day. You can still leave messages for the nurse, and email if needed. If your child will be tardy or absent for any reason, please notify HCS. Please send health-related emails to [**HCS.Nurse@Region10ct.org**](mailto:HCS.Nurse@Region10ct.org)
